

*Elvea, festa all'italiana*

## Classic meatballs with tomato sauce

### Ingredients for 4 Persons

|                |                                       |
|----------------|---------------------------------------|
| 2 cans         | ELVEA tomato cubes with Italian herbs |
| 4 slices       | bread                                 |
| 0,50 teaspoons | fennel seed                           |
| 100 g          | ricotta                               |
| 1              | egg                                   |
| handful        | flat-leaf parsley                     |
| 1 teaspoon     | cumin                                 |
| 1 pinch        | chili flakes                          |
| 1 teaspoon     | oregano                               |
| 600 g          | mixed ground meat                     |
|                | pepper                                |
|                | salt                                  |
| tablespoons    | olive oil                             |
| 0,50 bottles   | red wine                              |
| 2 dl           | beef stock                            |
|                | parmesan cheese                       |
